

## 2011/2012 COSTUME WORKSHOPS

REVISED 12/28/11

All costumes have arrived and we are going to do our remaining Costume Workshops in January. However, Ernie would like to do them a little differently than we originally had them scheduled. With the groups, he would like to meet first with just one dancer from the group to “work through” what he would like to do. The seamstress will also be at this meeting. Then, the seamstress will meet with the entire group at a later time to take any measurements, collect costumes, etc. I have also scheduled seamstress meetings for those costumes that were done in November but did not have a seamstress at them.

Dancers need to bring their costumes to the workshops, as your seamstress will be taking them on this day. **MAKE SURE** your dancer’s NAME is on the tag inside the costume. Please **BRING ALL PIECES** that came with your costume. **IMPORTANT:** If your dancer is **NOT** going to be at the Costume Workshop, please send their costume with another dancer **AND** make sure you get with the seamstress at a later time. A parent (preferably Mom) needs to attend the workshop with the dancer so that you know what needs to be done to your dancer’s costume. We will also be providing you with information on alteration charges and seamstress information.

All workshops will take place at the Annex, unless otherwise noted.

### **Saturday, January 7 – Studio C**
